ABOUT US

THE IRISING INC. is a trusted manufacturer, merchant exporter, and OEM Supplier with over **10+ years of experience** in global sourcing and international trade. We specialize in delivering **high-quality industrial and commercial products**, designed to meet the diverse and demanding requirements of global industries. Our focus is on **precision, durability, and performance** ensuring complete customer satisfaction. With a Strong commitment to **quality, compliance, and reliability**, we bridge global demand with dependable supply solution.

OUR CORE PURPOSE

To connect global industries with **trusted, high quality solutions** that foster long-term growth, reliability, and partnerships.

OUR VISION

To become a global leader in sourcing and exports by setting new benchmarks in **quality, service, and customer satisfaction**.

OUR CORE VALUE

- **Trust**
We build long-term relationships through honesty, transparency, and reliability.
- **Commitment**
We deliver on every promise with dedication and accountability.
- **Passion**
We drive innovation and excellence in everything we do.
- **Customer-Centric Approach**
We prioritize our clients' needs at every step.
- **Global Mindset**
We connect industries across borders with adaptability and foresight.

BHAG – Big Hairy Audacious Goal

To transform THE IRISING INC. into a global powerhouse of sourcing and exports, setting new benchmarks for quality and service in international trade.

- Side Lights & Assemblies
- Stop Lights & Assemblies

Mining & Earthmoving Equipment & Spares

Mining Equipment & Spares

- Drilling Rigs & Spares
- Crusher Spares
- Screen & Conveyor Spares
- Rock Breakers
- Mining Dumpers
- Material Handling Equipment

Earth Moving Equipment & Spares

- Excavator
- Crane
- Backhoe Loaders
- Wheel Loaders
- Bulldozers & Tractors
- Concrete Pump Spares
- Batching Plant Spares
- Transit Mixer Spares

Industrial Pipes, Fittings & Fasteners

Pipes

- Seamless Pipes
- Welded Pipes
- Galvanized Pipes
- Stainless Steel Pipes
- Carbon Steel Pipes
- Alloy Steel Pipes
- MS Pipes

Pipe Fittings

- Elbows (90°, 45°, Long/Short Radius)
- Tees (Equal & Reducing)
- Reducers (Concentric & Eccentric)
- Couplings & Unions
- Nipples & Flanges
- End Caps & Bends

Fasteners

- Hex Bolts & Stud Bolts
- Anchor Bolts
- Carriage Bolts
- Hex Nuts & Lock Nuts
- Washer (Plain & Spring)
- U-Bolts

Industrial Engineering Solutions

Industrial Pumps

- Centrifugal Pumps, Submersible Pumps
- Self-Priming Pumps, Booster Pumps
- Multistage Pumps, Slurry Pumps
- Chemical Process Pumps
- Diaphragm Pumps
- Gear & Screw Pumps
- Dosing / Metering Pumps
- Fire Fighting Pumps

Industrial Valves

- Ball Valves
- Gate Valves
- Globe Valves
- Check Valves
- Plug Valves
- Butterfly Valves

Power Transmission

- Bearings
- Motor & Gearbox
- Sprockets

- Pulleys
- Roller Conveyors

WHY CHOOSE US

We Deliver What We Commit

Accuracy is at the heart of our operations. We ensure excellence across quantity, quality, pricing, and delivery timelines, so you receive exactly what was promised every time.

Your Growth, Our Mission

We support businesses of all scales by handling orders of any size with equal importance, ensuring flexibility and long-term scalability for our clients.

Always Accessible

From inquiry to delivery, we provide responsive communication and complete Logistics Support (including CIF shipments) making the entire process seamless and stress-free.

Adaptable & Flexible

We specialize in Custom Sourcing Expertise, delivering products exactly as per your drawings and specifications, while also supporting multi-commodity shipments for added convenience.

Partnership Beyond Trade

We build trust through transparency —encouraging third-party inspections, enabling high sea sales for cost and time efficiency, and ensuring every product is backed by authentic test certificates.
